Memory Care and
Short-Term Stays

Lakeside Lifestyle.
Right Here in Chico

Elevated Living. Personalized Care. Timeless Comfort.

At The Lighthouse, life is defined by elegance, ease, and extraordinary attention to detail. Our award-winning community offers a refined living experience, where luxurious surroundings and five-star services create an atmosphere of both indulgence and comfort.

Every element is thoughtfully designed to elevate daily living from gourmet, chef-crafted cuisine to curated activities and personalized wellness support. Whether you're enjoying a tranquil moment in our private library or engaging with neighbors over wine and conversation, you'll find that every day here is rich with opportunity and effortlessly yours.

Experience senior living reimagined—where every detail reflects the sophistication you deserve and the comfort you expect.

Assisted Living

Enjoy the freedom of independence while having the perfect level of support when needed. From daily assistance with personal care and medication to fun social activities and delicious meals, our community offers a warm, home-like atmosphere where every day feels like a new opportunity.

Memory Care

Step into a world of comfort, compassion, and specialized care! Designed for individuals with Alzheimer's and other forms of dementia, our Memory Care community offers a secure and nurturing environment where every day brings warmth, connection, and purpose.
